1-188페이지 8. 차양 [그림] 교체	 <p>The diagram shows a vertical cross-section of a canopy structure. At the top, there is a horizontal section with a width dimension labeled 'p'. Below this is a vertical section that tapers slightly. To the right of this vertical section, there is a dimension 'a' indicating the height of a specific part. Below that, a dimension 'c' indicates the total height of the vertical section. At the bottom, there is a rectangular base.</p>
